SERVICE HOURS CONTROL SHEET

Jesus washed the feet of disciples to show them that they are to serve one another.
As a Christian who will be making a renewed commitment to follow Jesus, you too are called to serve. In preparation for Confirmation, you are required to put in 10 hours of service in each of the following areas: Family, Church, Community. The maximum number of hours you can be credited for a single service project or activity is 6. After the service is provided, the supervisor of the project is to sign the sheet.
