SPIRITUAL ADOPTION — FOUR MONTHS OLD

Now that I am four months old, my mother may occasionally feel when I move, especially when I do somersaults. I'm pretty good at them. Maybe I'll be a gymnast one day. All this exercise is helping me get bigger and stronger. I am growing by leaps and bounds. My heart now pumps 25 quarts of blood a day. I am developing nerve cells at a very fast pace. Bone marrow is beginning to form. I empty my bladder every 45 minutes or so. Keep praying for me. There are so many good things going on in here. I want to keep living.

THE LOOK OF LOVE
What does love look like?
It has feet to go to the poor and needy.
It has eyes to see misery and want.
It has ears to hear
the sighs and sorrows of others.
