SPIRITUAL ADOPTION — SIX MONTHS OLD

Today I am six months old. It's my happy half-year birthday! My lungs are growing. Since it won't be long until I'm born, I practice breathing by inhaling amniotic fluid into my lungs. My eyes are now open. Though there isn't a lot of light in my mother's womb, I'm beginning to distinguish between light and dark. Some babies born at my age have survived — but I'd rather wait until I'm more grown up. Please continue to pray that I will grow healthy and strong. Thank you.
