This past week was a very busy time for the St. Alphonsus community! On Saturday, March 11th, our 8th Grade students celebrated the *Sacrament of Confirmation* with % L V K R S \$ Q G U H Z e students from our St. Alphonsus/St. Patrick Catholic Elementary School and our St. Alphonsus Religious Education Program were excited about the celebration of Confirmation.

We also had the pleasure of having) U 0 L N H . Q R W H I N 4:00 p.m. & 9:00 a.m. Masses last weekend to prepare us for the *Lemont Lenten Mission* on March 6th & 7th. Fr. Knotek spoke about sin, the journey of Lent and finding God during difficult times. The Lemont Lenten Mission was a great success and I believe it was a great opportunity to learn more about our faith and the season of Lent.

This year *St. Patrick's Day* will fall on a Friday during Lent and I was waiting for a number of requests for dispensation. Thankfully, we received notice from & D U G L Q D G o o t K S L e E K a t i o n : "St. Patrick's Day, March 17th, falls on a Friday this year. Cardinal Cupich has given a general dispensation to Catholics from abstaining from meat on this day. Instead, Catholics in the Archdiocese of Chicago who choose to make use of this general dispensation are asked to substitute another form of penance for the Lenten Friday abstinence."

1. The St. Alphonsus Women's Club is sponsoring its *Annual Lenten Reflection* on 6 X Q G D \ 0 D U F I K 00 p.m. in the Church Hall. This year's presenter is) U 3 D W U L F N a r d h e h a n e W ' W e ***Power of Relationships and the Power of Community for Transformation and Service***". Fr. Pat has an extensive background in the areas of education, ministry and counseling. Please join us for an inspiring afternoon!
2. We continue to celebrate 7:30 a.m. Daily Morning Mass *in the Church* due to the increased number of people that attend Daily Mass during the season of Lent. *Stations of the Cross* are celebrated on Friday evenings during Lent at 7:00 p.m.. The Stations of the Cross prayer service offers the opportunity to walk in the footsteps of Jesus on his final hours before his death on the cross. Please join us as we offer various opportunities of prayer during Lent.
3. The Lenten project for St. Alphonsus Church this year will be to support ***Sacred Heart Mission Church*** in Hopkins Park, Illinois. Sacred Heart Mission is home to a number of parishioners living below the poverty level. Even though the community is poor, it is alive in faith. We will collect household and personal products during the season of Lent to help meet their need.

Religious Education Update

WHAT'S HAPPENING IN... 7TH GRADE?

After getting a new appreciation for the Bible and Jesus as the fulfillment of the promises made in the Old Testament through the DVD-based Encounter series the first half of the year, our 7th Graders have been spending the 2nd half on Morality and preparing to enter into the season of Lent. They are looking at how the 10 Commandments, the Beatitudes, and the Virtues play in their lives. To help her students enter into the Lent season, Mrs. Kaye students created Lenten Jars that help guide them to make their own sacrifices for each day during Lent. Each stick in their jar has six ideas to do during a week in Lent. Students came up with things to give up, chores to take on, readings and reflections to do, donations of time or material things, etc. They are also coordinating a service project to benefit the Sacred Heart Mission in Hopkins. They placed collection boxes in the back of the church and in the RE Building hallway to collect different items each week during Lent. They created posters to promote their project.

CONFIRMATION

50 of our 51 confirmandi made final preparations last Sunday for their Confirmation this Saturday. They took part in the final liturgical rite, the Call to Continuing Conversion, with their sponsors split between the 9:00 and 11 Masses; they took part in the practice for the Confirmation liturgy, and spent the afternoon in prayer, reflection, and activities. We thank Meredith Mathias and Ralphie Loisi, who were confirmed last year, for their "Witness Talks"... sharing how their faith helps them in high school, and offering some advice. Please keep our newly confirmed in your prayers as they attempt to integrate their faith into their lives on a daily basis.

GRADES 3-5 FAMILY SESSION – TRACK A

Next Sunday (19th), we will have the Winter/Spring Family Session. Parents will join their children during their regularly scheduled class time. We will start out by assembling in the chapel.

JUNIOR HIGH STUDENTS VISIT ARGONNE LABORATORY

The junior high students had the privilege of visiting Argonne National Laboratory on Tuesday, February 28. They rotated through three different STEM lessons at the Argonne learning lab where they experimented with harnessing wind power to create electricity, potential and kinetic energy, and extracting hydrogen to power a fuel cell!

Thanks to one of our parents, Mr. Skwarek, who works at Argonne, the students also got to visit the Advanced Photon Source particle accelerator. It was a fascinating field trip and a great chance to observe science in action for the real world!

GELSOSOMO'S MAKES ST. AL/ST. PAT'S SOME DOUGH

This school year our Family School Association worked closely with Gelsosomo's Pizzeria as their main fundraiser in support of St. Alphonsus/St. Patrick School. Community members are invited to dine in the 2nd Monday of each month and 50% of sales is donated directly back to the school. To date, this fundraiser has brought in over \$8500. St.Al/St. Pat's wishes to extend a special thank you to Gelsosomo's for all their support and generosity. They really do know how to make great dough!

Dear Parishioners and Friends,

I wish to express my sincere thanks for all the cards, notes, thoughts and prayers during the difficult time at the deaths of my brother and sister.

Your generous support and kindness will always be remembered with deep gratitude. It has really meant a great deal to me.

Sincerely,
Fr. Shannon

Abstinence from meat is required on Ash Wednesday and on all Fridays of Lent for Catholics 14 years of age and older. Ash Wednesday and Good Friday are also days of fasting. It is required for all Catholics who are 18 years of age, but not yet 59, to eat only one full meal on these days, and other foods as necessary to maintain their strength.

Dispensation for St. Patrick's Day

St. Patrick's Day, March 17, falls on a Friday this year. Cardinal Cupich has given a general dispensation to Catholics from abstaining from meat on this day. Instead, Catholics in the Archdiocese of Chicago who choose to make use of this general dispensation are asked to substitute another form of penance for the Lenten Friday abstinence.

Respect Life Lenten Project

Our Tri-parish Respect Life Group Lenten service project for Sacred Heart Mission Church in Hopkins Park continues. This week we are collecting oral hygiene products. Please put toothpaste, toothbrushes, floss, mouthwash, or similar products in the receptacle in the back of church. Thank you.

Next week we ask you to bring in personal hygiene products for women. Suggested products are lotion, deodorant, feminine hygiene items, adult diapers, shampoo—anything women would like to keep themselves clean. We appreciate whatever you can give.

SPIRITUAL ADOPTION — SEVEN MONTHS OLD

Hi! I'm so grateful that you are still praying for me. I'm seven months old, but I'm already developing wrinkles. It's because of all the time I spend floating in the water inside my mother's womb. I hear my Mommy talking to other people and I recognize her voice. I love it when she talks to me. She makes beautiful sounds. Not only do I hear, but I use three other senses — I see, taste and touch too. Smell is the only sense I don't use yet. I'm putting on weight so I will be healthy when I enter the world. Please keep up your prayers.

- Discover how the Mass is really heaven on earth.
- Learn about the Antichrist and his destruction.
- See the Second Coming of Christ and the Final Judgment in the context of history.
- Learn what will happen at the end of time and the establishment of a new heaven and a new earth.
