Dear Eileen,

I am extremely pleased to inform you that you have been selected to receive the Archdiocese of Chicago's 2017 Heart of Christ, Heart of the School Award. Christ is the true center of any Catholic school. Recipients of this award are outstanding examples of Christian service, love and compassion. Through both work and witness, they live out our Catholic mission every day.

The Heart of the School Awards encompass nine award areas (including yours), and two nominees were selected for each award area. In total, more than 545 nominations of teachers, administrators and staff members were received for Heart of the School Awards this year. Your nomination was selected for an award because of your outstanding contribution to your school and the students you serve. An excerpt of your powerful nomination is noted below.

"There is no one who exemplifies the Heart of Christ more for us than this selfless, extraordinarily hard working educator. She serves tirelessly with a smile and a kind word for everyone and, all the while, she creates experiences that deepen the faith of all. There is a little bit of miracle worker in this woman".
