### Living God’s Word

Lord, give us the rest only you can give when we feel burdened by life’s labors and sorrows.  
Open our hearts so that we learn from you to seek and accept the yoke that is easy.  
Give us the strength to help others with the burdens that weigh them down.

### SCHOOL COMMUNITY

One of the best things about the St. Alphonsus-St. Patrick School students is how connected they feel to each other in a family matter. Below, an older student gleefully walks two preschool students to their classroom after morning car drop-off.

Contact us today to take a tour of our school, playground, gym, cafeteria, and Collaborative Learning Center. We grow Learners Today who make excellent Leaders Tomorrow.

5TH GRADE IN THE SCIENCE LAB

After studying digestion and the acidity of the stomach, Mr. Munyon's 5th Grade students used this information to study the actual effect on the stomach. Students created hypotheses on the effects of Alka-Seltzer and the effects on the human body and W K H Q tested their theories in the science lab.
