Blessing of Students and Teachers
*Father, we give you thanks for all you have given us.
We bless you for creating us and filling us with good things . . .
For giving us your Son Jesus to show us the way to you.*

*Bless our students, teachers and staff
as they begin this new school year. Help them in all they do,
to appreciate the goodness in themselves and
to look for the good in those around them.*

*Help them live their faith, and love for you
by loving those around them.*

*Help them to see your presence always.
May they turn to you in good times and in bad
and realize that you are their strength.*

*As they grow on the outside, may they grow on the
inside too, in knowledge and love for you and others!*

*Let your Holy Spirit give them the gifts
of wisdom, understanding and knowledge
to help them learn the things you need them to know.*

We ask this through Christ, our Lord. AMEN.

Living God's Word

Even in the midst of greater uncertainty, the readings today remind us
that the prophetic messages can still shed light on our journey.
While we await the second coming of Christ, what can we do to dispel the darkness around us?
