Father in heaven, all creation rightly gives you praise, for all life and
all holiness come from you. In the plan of your wisdom, she who bore the
Christ in her womb was raised body and soul in glory to be with him in
heaven. May we follow her example in reflecting your holiness and join in
her hymn of endless love and praise. We ask this through Christ our Lord.
Amen.

Living God’s Word

Those moments arise for each of us when we come face to face with death or the possibility of real failure.
Then it is no longer so easy or so enticing to step off the roller coaster platform,
for suddenly the ride is no longer carefree or without risk.
Yet through the risk, it is possible that life in God may be found.
