*May God, the Lord of mercy and compassion, protect all
who are still in danger and bring safety to those who are missing.
May He care in a special way for those who were already homeless
or without support and resources, before the disaster.
We pray in thanksgiving for the first responders
who are risking their lives to save others at this very moment.
We include in our intentions the everyday heroes
reaching out to help their neighbors in need,
those who, like the Good Samaritan,
cannot walk by a person in need
without offering their hand in aid. Amen.*

*O God of love, compassion, and healing, look on us, people of many
different faiths and traditions, who gather today at this site, the scene of
incredible violence and pain....
God of understanding, overwhelmed by the magnitude of this
tragedy, we seek your light and guidance as we confront such terrible events.
Grant that those whose lives were spared may live so that the lives lost here
may not have been lost in vain.*

*Comfort and console us, strengthen us in hope, and give us the
wisdom and courage to work tirelessly for a world where true peace and love
reign among nations and in the hearts of all.*
