Lord God, source of all wisdom and knowledge, you sent your Son, Jesus Christ, to live among us and to proclaim his message of faith, hope, and love to all nations. In your goodness, bless our brothers and sisters who have offered themselves as catechists for your Church. Strengthen them with your gifts that they may teach by word and by example the truth that comes from you. We ask this through Christ our Lord. R/. Amen.

"...I don't know if I have the time." Being a catechist is definitely a time commitment. Most of our catechists are have busy lives, but because they see the importance of this ministry for our children, they make time. Maybe right now you'd like to serve as a catechist's aide to get a feel for what this is like.

"...I don't know if I can handle a group of kids. I don't know if kids will like me." Everyone is nervous about the prospect of going into a classroom to teach. The good news is that the children already know how to behave in a classroom from being at school. They know what acceptable behavior is and what it is not. If you are friendly, fair, and firm with your students, classroom discipline becomes easy.

"...I don't know if I'll be able to answer kids' questions." Our textbooks are very easy to use and the answers to most questions you will be asked will come from the text. However, sometimes, kids come up with really excellent questions that are not all that easy to answer. There is absolutely nothing wrong with saying, "I don't know, but I'll find out and tell you next time we meet." Then, after class, you can just walk down to the Religious Ed Office and Mr. Cody will help you with the answer.

Our St. Al/St. Pat's School annual Magazine Drive began this week and runs through Thursday, September 28. Students can win prizes, and school families earn credits toward their fundraising obligation by selling subscriptions. Magazines, both paper and/or digital editions, range from such topics as family, news, sports, and pets to home & garden, health & fitness, beauty, lifestyle, kids and teens. Don't need a magazine for yourself? You can still support us by supporting the Humane Society, USO, World Vision or Save the Children as the "magazine title" on your order form. Contact any of our school children for an order form and catalog, or the school office at 630-783-2220.

As part of their Leadership Mass, the eighth grade class of 2018 pledged to live the Celtic Mission by example of faith, love, peace, humility and charity. They prepared for this commitment by reading and listening to speeches by prominent Americans and leaders of our Church; they examined the characteristics of

effective leaders. Although they know that they are still learning, they pledged to do their best to be leaders for the school and for their younger classmates. Throughout the year our eighth grade leaders will help us understand the gifts we have been given by God and how He expects us to use them to live our theme, *We Are One Body*. They will help us work together to make our school community and our world a better place.

Second Graders are wrapping up a few science experiments this week. We proved that roots send water up to the rest of the plant. We put food coloring and water in a cup with celery. Look at those red and blue leaves! We also showed how important it is to wash our hands. The bread that everyone touched began to grow mold, while the untouched specimen remains clean.

FORGIVE OTHERS

There are many kinds of sins the giving of which helps us to obtain pardon for our sins; but none is greater than that by which we forgive from our heart a sin that someone has committed against us.
