

Church Guidelines as of August 26th, 2021

- Reservations for Masses are no longer required.
- Everyone 2 years old & up (regardless of vaccination status) must wear a mask in church.
- Most of the seating at both church sites is open. However, we will keep a section of pews for those who prefer to remain socially distant. **At St. Patrick Church**, it will be the back 2 rows on each side. **At St. Alphonsus Church**, it will be the right section from the Baptismal Font to the Confessional.
- Collection baskets will not be passed at this time. Please continue to deposit donation in the Offertory Box as you enter/depart the church.
- The Sign of Peace should be shared without physical contact.
- We will keep the Communion Process the same as it has been for the past year. Ushers will guide people from their pews row by row and offer Hand Sanitizer before receiving the Eucharist. The cup is not being offered.
- We will continue to sanitize both church sites after Masses and other sacraments.
- We will continue to record Mass for those unable to join us at our church sites. The videos are uploaded weekly to our St. Alphonsus & St. Patrick Parish website, our Facebook page, and our YouTube channel.
